

Find the Expert you are looking for.

Alexandros Karagiannis - 2022-12-17 - Experts

If you are looking for an internet service Expert, Papaki has selected professionals that you can refer to.

Experts have the following characteristics.

1. They are professionals in their field.
2. They are Papaki customers that have at least obtained a Superstar Badge.
3. They have no business relationship with Papaki.

You can find our Expert list [here](#). They appear in random order depending on the service that they provide or the city they live in, in case you wish to find someone near you.

By clicking on the name or the logo of your Expert, you will get to their dedicated page, where you can find more information like their contact details, their portfolio or the services that they provide.

Any Papaki customer with a Superstar Badge has the possibility to fill in an [online form](#) to be added to the recommended Expert list.

The application forms are always checked, but we cannot guarantee the results or the quality of the services provided by the Experts.

If you come to the conclusion that the services provided by the Expert do not respond to what was mentioned on their website, or if you face any behavior problem, you can let us know about it.

If you work with an Expert, you must know that Papaki does not aim at any financial or any other type of profit neither from the Expert nor their customer and there will be no additional charges.

The cost of the service provided by each Expert is defined by themselves and Papaki bears no responsibility for their price list, or for the quality of their service.

Papaki does not intervene against the Expert and does not interfere in the communication between the two parts.
