How do I create an account at Papaki

- 2022-11-25 - Papaki Panel

You can easily create an account at Papaki, either by following the procedure when buying services from Papaki or through the Sign Up page you will find on Papaki's homepage.

Click login on the topright of the page

Then click "Create Account" at the bottom of the pop up

Finally, fill in all necessary links and hit the "Create account" button.
