

How do i renew my service at Papaki?

- 2023-01-03 - Papaki Panel

A. First of all, log into the [Control Panel](#) of Papaki by entering your Username and Password

Member Login

If you are already a member of Papaki.gr,
just fill you username and password.

 Email/Username

 Password

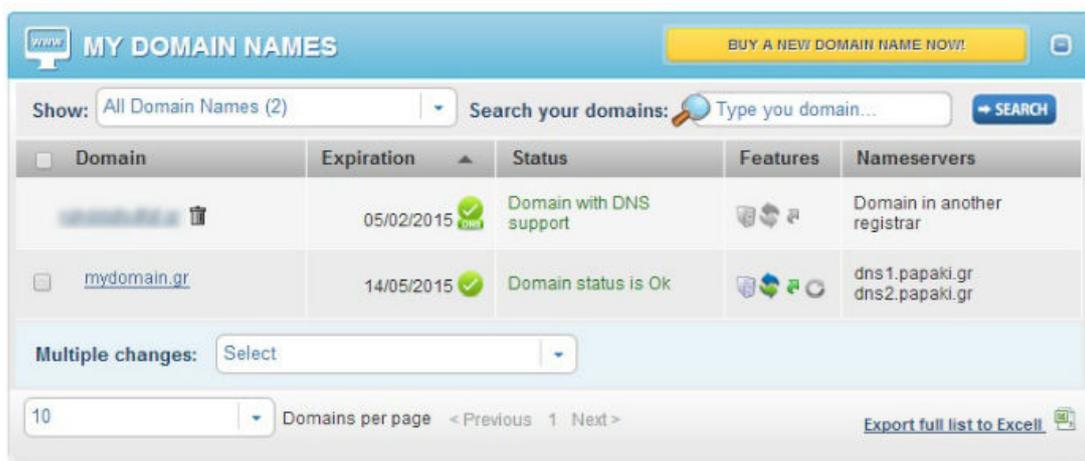

Login

[Forgot your password?](#)

B. From your Dashboard > My Products list click on the service you wish to renew

C. For the purposes of this tutorial, we will show how to renew a domain name. So, click on Domain Names and from the "Domain" column simply click on the one you wish to renew.

D. From the Domain Name Manager, click on the "Renew" button

DOMAIN NAME MANAGER Search another domain: [MANAGE](#)

MYDOMAIN.GR Expiration Date: 14/05/2015 [\(Renew\)](#)

Nameservers **Renew** Forward Security Pin Free Hosting ▾ Free EShop ▾ More Actions ▾

E. To proceed to checkout, select the appropriate Invoice Details and Payment method and don't forget to tick on the law approval, as shown in the image below

Renew Domain Name X

Renew Domain Names

Invoice Details:

Payment Type:

Product	Price	Discount Coupon	Duration	Amount
Domain Name Renew [stimezoneta.gr]	€20,00	<input type="text" value="Use"/>	2 Years ▾	€20,00
Total price after discount and before taxes				€20,00
Vat (23%)				€4,60
Total price				€24,60

I would like to activate the Auto Renewal service for all the above services from now on.

According to the Law I accept and approve that:

a) The information provided on this application form are all valid. b) I do not violate, in my knowledge, the rights of third parties. c) I represent the specific legal person (in case of legal entities). d) If the Variable Field of a second level domain is identical with a geographical term included in the list of geographical terms published on the EETT website in Greek and Latin form (in accordance with Appendix B), I am the responsible Local Authority. e) In case of a .gov.gr domain registration, I am a governmental organization. f) In case of third level Domain registration, of which only the third level is variable, I am also entitled to register the first and second level of the domain name. g) I agree with the conditions and [terms of use](#)

F. Refine your order and click on the "Buy Now" button
